

2017 CLUB Tryouts

Posted – 12/7/16 15:10 – Coaching assignments + web address

Please read all announcements

If you were not chosen for a team your **\$100 deposit check will be destroyed.**
If you paid by cash or with one check for both tryout fee and deposit, it will take approx. four weeks for the refund to be mailed to you.

Ladies and Parents,

Thank you for your patience. We had approx. 250 young athletes tryout this season. Unfortunately, many talented girls, from all age groups, will not make a team this year. This, in no way, is a reflection of your ability to play volleyball.

To those of you who did not make a team and were put on stand by, please keep playing. At the bottom of the document is a letter with a list of additional clubs that are still having tryouts as well as other alternatives to play.

Never Stop Playing!!

To those of you who are selected to a team this year, Congratulations and our coaches are eager to get started. You will receive an email within the next several days from your coach (by 12/9) with introductions and a request for a verbal commitment. Please respond to your coach as soon as possible so we may confirm the team.

Practice times and schedules will be sent to you by your coaches between 12/12 and 12/14. Please do not call or email about where or what time you are practicing.

Thank you,
Stephen Boyle
Pumas Volleyball Club
Club Director

The following pages have all the tryout numbers listed with age group and team name or stand by. If your number is not listed please contact me.

Those players that were placed on stand-by have **not** made a team. In the event we have players drop from the program in the first two weeks (by Dec. 20th), for any reason, we would look those stand-by players to fill the appropriate spots in their age group. You should be trying out at other clubs.

Ladies,

We feel terrible to not have everybody make a team but the number of athletes trying out is more than we have coaches for. I know this is a disappointing time but **you all belong in the sport of volleyball** and it is nowhere near the end of your volleyball playing. There are a number of options that you can pursue to keep playing volleyball.

We would love to have all of you as a Pumas player but even more import is that you continue to play (competitive league, skill development program, private coaching). All the JO club directors want you to succeed and have coaches that are excited to help you achieve that. Don't get caught up with the notion that being on a higher level team is going to make you a better player – *You trying your best when you get to play is what will make you a better player, no matter what team you are on.* The development and improvement of your skill level is more important than the wins and losses you pick up along the way.

There are clubs in our area that are still holding tryouts. This does not guarantee you a spot as they also have a finite number of coaches and will (like Pumas) make as many teams as they can.

We all want you to play, if not on a competitive team then in a skills or development program. Contact those clubs below and see what their programs consist of and if they could be right for you at this time.

This is a great lifelong sport, have fun with it.

Clubs Still Forming Competitive Teams

Merrimack Valley Juniors – Tryouts Soon. Visit their web site at

<https://sites.google.com/site/mvjvolleyballclub/calendar>

Bamboo Volleyball Club – Have finished their tryouts but still have several spots left.

Please contact the director. Visit their web site at <http://www.bamboovbc.com/>

North Shore – Has tryouts still going on. Contact the director for more info.

<http://www.nsjvb.org/>

Mill City – Registration still open until 12/14, no tryouts.

Clubs with Skills/Development Programs

A skill and development program is a great way to work on your individual skills at your own pace. Generally there are no tournaments and no uniforms so the cost is also less. This is also great for players who did make a team and want a second practice.

Pumas Volleyball Club – Our in-house skills program will run two eight week sessions.

Each session will cost \$175. You do not have to register again, just email me to let me know you wish to join that program. More information can be found at
