

2017 OPEN PLAYER COMMITMENT AGREEMENT

Name_____Level_____Tryout Number_____

Your answers on page 2 may affect whether or not you make an Open team. Players who have excessive schedule conflicts or are missing the same tournament may not be placed on the same team. This is to insure that each team has enough players for each tournament.

For each tournament that applies to you in the table on page 2, please indicate whether you can attend, cannot attend, or can partially attend. **For every tournament please have a parent initial your response.** Be careful to check your calendar for events such as SATs, ACTs, music/drama commitments, etc. This form needs to be turned in when you check in for registration. The dates in the table represent our current information regarding the tournament schedule and all days are Sunday except where specified.

Please answer the questions below:

1. Please describe other sports you are playing during the Pumas season. Please describe in full all MIAA sports commitments - but also include other athletic activities you expect to be involved in at the same time as Pumas. Here's a sample answer: *"MIAA basketball freshman team, regular practices include most Sunday evenings 6-8; also play in tennis league once per week mid-April thru June but can miss matches."*
2. Please describe vacation or travel plans for the winter and spring breaks. Example answer: *"Will be attending a church mission trip over spring break, will miss all practices but will return for tourney."*
3. Anything else we should know?
