masspikevolleyball@gmail.com

MASSPIKE VOLLEYBALL CAMP is a **COMMUTER CAMP** which provides a fun, yet intense volleyball training environment

for individual players and teams of all levels, from beginner to elite. Demos, drills, coaches' feedback and videotape help players develop their skills as they learn to assess and correct their own technique while game-like drills and competitions develop team-play. Our goal is to challenge each player to reach the next highest playing level and give players the knowledge necessary to continue improving their performance after camp. Private lessons/small group clinics are also available.

2015 Chelmsford
